/ GENERAL

Type Gent bicycle rack is ideal for intensive use. This vandalism-proof rack provides stable support without wheel clamps. Thanks to the many secure locking points, you can safely store your bicycle with confidence. Type Gent is available in different centre-to-centre distances.

Advantages user

- Maximum anti-theft protection (locking points for front wheel, rear wheel and frame)
- Extra-large centre-to-centre distance of 700mm for ultimate user comfort
- Low tilting height
- Suitable for different tyre widths
- Suitable for wider tyres
- Extra stability thanks to leaning support
- Protection against tipping or pushing over
- No wheel clamps
- Suitable for large panniers

Advantages facility manager

- Vandalism-proof
- Guaranteed corrosion resistant
- Reliable, durable and maintenance-free
- Ideal for placement in public spaces
- Easy and quick to install
- Fast delivery
