/ E-Point Hi-Lo

Never run out of battery again!

Verhofsté
shaping open spaces

/ GENERAL

E-Point Hi-Lo bicycle charging point can easily be added as an option to Hi-Lo two-tier bike racks. It is attached to the rack between 2 bike spaces and offers anti-theft protection in addition to charging facilities.

Advantages user

- Charging point for electric bicycles
- Anti-theft protection (locking point for bicycle spaces on the lower tier)

Advantages facility manager

- Easy to install afterward
- Circular
- Guaranteed corrosion resistant
- Reliable, durable and low maintenance
- Fast delivery
