

**/ Movilo**

**Mobile bicycles, mobile bicycle storage**

# / GENERAL

Movilo is a mobile bicycle storage system with trailer. It ensures quick and easy set-up for 300 bicycle parking spaces. Movilo mobile bicycle parking system is very user-friendly and can be set up in no time. This makes it ideal for events or as a temporary bicycle parking facility. Moreover, parking through suspension of the handlebars prevents wheel damage.

## Advantages user

- Protection against damage due to tipping or pushing over
- Anti-theft protection (locking point for handlebar/frame)
- Bicycle spaces with enlarged centre-to-centre distance of 500 mm for extra user comfort
- No wheel clamps

## Advantages facility manager

- Compact storage (300 bicycle spaces on 6m<sup>2</sup>)
- Easy transport
- Extension modules
- Flexible set-ups
- Ideal for events and temporary set-ups
- Loading system for easy, quick and convenient storage
- Fast set-up and breakdown
- Freestanding bicycle racks

## Material

Steel S235JR

- Sustainable
- Robust
- High durability
- Recyclable

## Surface treatment

Hot-dip galvanization according to EN-ISO 1461

- Durable corrosion protection
- Wear- and impact-resistant
- High durability
- Maintenance-free
- Recyclable
