Parking fast and securely

Verhofsté
shaping open spaces

/ GENERAL

Safepark bicycle stand is a comfortable, stylish bike stand in P-shape. Like most bicycle stands, Safepark is designed for safe parking of all types of bicycles, cargo bikes and mopeds. Its convenient design provides both support and safety for the bicycle. Even when no bikes are parked, Safepark perfectly blends into any street scene. The multifunctional Safepark also effectively protects any wall from damage caused by carelessly parked bicycles. Safepark is made of hot-dip galvanized steel and is vandalism-proof. Two bicycles can be parked at one stand.

Advantages user

- Maximum anti-theft protection thanks to locking points for front wheel, rear wheel and frame
- Rounded corners for extra protection
- P-shape for extra support and locking options
- Suitable for all bicycles and mopeds
- Extra stability thanks to leaning support
- Easy circulation
- Fast parking

Advantages facility manager

- Vandalism-proof
- Flexible set-ups possible
- Convenient design
- Usable as a barrier
- Guaranteed corrosion resistant
- Reliable, durable and maintenance-free
- Easy and quick to install
- Fast delivery
