/ Hi-Lo Lock

Extra means extra safety

Verhofsté
shaping open spaces

/ GENERAL

The Hi-Lo Lock bicycle locking system easily secures your bicycle against theft, thanks to the anti-theft bracket for attachment to the frame. This user-friendly option is suitable for all Hi-Lo two tier bicycle racks and can easily be mounted on the racks afterward. The Hi-Lo anti-theft bracket is available in a single-sided version.

Advantages user

Hi-Lo Lock

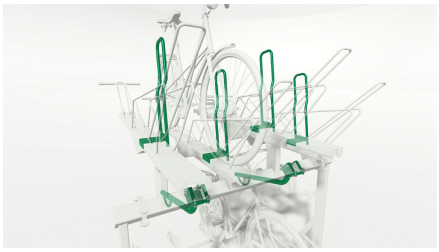

- Anti-theft protection for the bicycle space at the lower tier thanks to locking points for the frame

Hi-Lo Lock (Level1)

- Anti-theft protection for the bicycle spaces at the upper tier thanks to locking points for the front wheel and frame

Advantages facility manager

- Circular
- Easy to install afterward
- Guaranteed corrosion resistant
- Reliable, durable and maintenance-free
- Vandalism-proof
- Fast delivery
