# / GENERAL

Milan Mini bicycle stand is Milan's little brother, a comfortable bicycle stand with rounded corners and extra crossbar. This stand is specially designed for safely parking children's bikes, but can also be used to protect cargo bikes and mopeds from theft. Milan Mini has the same classic design, so it fits into any street and can even be used as a barrier or to protect trees. Also in the mini version, the crossbar offers additional support and locking options. Milan Mini is made of hot-dip galvanized steel and is vandal-proof. Two bicycles can be placed at each stand.
